Dated this the 10th day of January 2007

JUDGMENT

Since the allegation is that the properties of the 4th respondent which is a Government school is trespassed upon by a private school and a compound wall is constructed, I direct the second respondent to conduct enquiry in the location and, if necessary, get land surveyed after notice to the neighbouring school and ensure that Government school property is restored if there is encroachment under the provisions of the Land Conservancy Act. RDO should take a decision and communicate the same to the petitioner also within a period of two months from the date of production of a copy of this judgment by the petitioner.

Writ petition is disposed of as above.
